To the Shareholders

Dear Sir or Madam,

**GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES,
REFRESHMENT OF THE 10% SHARE OPTION SCHEME LIMIT,
ELECTION OR RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information regarding the following proposals to be put forward at the AGM for the Shareholder's consideration and, if thought fit, approval of:

- (a) the granting to the Directors of the General Mandate;
- (b) the granting to the Directors of the Repurchase Mandate;

LETTER FROM THE BOARD

- (c) the granting to the Directors of the General Extension Mandate;
- (d) the refreshment of the 10% share option scheme limit; and
- (e) the election or re-election of Directors.

2. VARIOUS MANDATES

On 12 May 2009, resolutions for the General Mandate, Repurchase Mandate and the General Extension Mandate were passed by the Shareholders and all the aforesaid mandates will lapse at the conclusion of the forthcoming AGM.

(a) General Mandate

An ordinary resolution will be proposed at the AGM to approve the granting of the General Mandate. The General Mandate, if granted, will allow the Directors to issue and allot further Shares prevailing up to 20 per cent. of the issued share capital of the Company as at the date of passing the relevant resolution.

As at the Latest Practicable Date, the issued share capital of the Company was 1,080,033,380 fully paid-up Shares. Subject to the passing of the resolution granting the General Mandate and on the basis that no further Shares are allotted and issued or repurchased after the Latest Practicable Date and up to the date of the AGM, exercise in full of the General Mandate could result in up to new issue of 216,006,676 Shares. There is however no present intention for any issuance of Shares pursuant to the General Mandate.

(b) Repurchase Mandate

An ordinary resolution will be proposed at the AGM to approve the granting of the Repurchase Mandate. The new Repurchase Mandate, if granted, will allow the Directors to exercise all the powers of the Company to repurchase its own Shares not exceeding 10% of the issued share capital of the Company as at the date of passing the relevant resolution.

Subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors, and on the basis that there were 1,080,033,380 fully paid-up Shares as at the Latest Practicable Date and no Shares are issued or repurchased by the Company between the Latest Practicable Date and the date of AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 108,003,338 Shares.

An explanatory statement to provide Shareholders with all the information reasonably necessary for them to make an informed decision in relation to this proposed resolution as required by the Listing Rules concerning the regulation of repurchases by companies of their own securities on the Stock Exchange is set out in the Appendix I to this circular.

LETTER FROM THE BOARD

(c) General Extension Mandate

It is recommended that the General Extension Mandate be granted to the Directors permitting them, after the grant of the Repurchase Mandate referred to above, to add to the General Mandate any Shares repurchased pursuant to the Repurchase Mandate.

The authority conferred on the Directors by the General Mandate, the Repurchase Mandate and the General Extension Mandate would continue in force until the earlier of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in general meeting.

3. REFRESHMENT OF THE 10% SHARE OPTION SCHEME LIMIT

The Share Option Scheme was adopted by the Company on 13 September 2004. Apart from the Share Option Scheme, the Company has no other share option scheme currently in force.

Pursuant to the Share Option Scheme, the maximum number of Shares which may be issued upon exercise of all Share Options to be granted under the Share Option Scheme and any other share option scheme(s) of the Company, shall not exceed 10% of the total number of Shares in issue as at the date of adoption of the Share Option Scheme, namely 282,750,000 Shares. Such mandate was subsequently refreshed by two ordinary resolutions of the Shareholders duly passed at the extraordinary general meetings of the Company held on 6 February 2006 and 30 May 2007, the Directors were authorized to grant options to subscribe for 296,887,500 Shares and 594,527,805 Shares, all representing 10% of the total issued share capital of the Company as at the date of passing of the respective resolutions.

The Company may refresh again the Scheme Mandate Limit by ordinary resolution of the Shareholders at general meeting provided that:

- (a) the Scheme Mandate Limit so refreshed shall not exceed 10% of the total number of Shares in issue as at the date of the Shareholders' approval of the refreshment of the Scheme Mandate Limit;
- (b) share options previously granted under the Share Option Scheme and any other share option scheme(s) of the Company (including those outstanding, cancelled, or lapsed in accordance with the relevant scheme rules or exercised share options) shall not be counted for the purpose of calculating the Scheme Mandate Limit as refreshed; and
- (c) the total number of Shares which may be issued upon exercise of all outstanding Share Options granted and yet to be exercised under the Share Option Scheme and any other share option scheme(s) of the Company must not in aggregate exceed 30% of the total number of Shares in issue from time to time.

LETTER FROM THE BOARD

As at the Latest Practicable Date, after taking into account the adjustments due to (i) the rights issue of 357,811,935 rights shares on the basis of one rights share for every two existing shares effective on 4 January 2010 and (ii) the share consolidation effective on 23 January 2009, Share Options carrying rights to subscribe for 75,070,277 Shares (representing about 84.18% of the maximum number of Shares allowed to be issued under the Scheme Mandate Limit and about 6.95% of the issued share capital of the Company as at the Latest Practicable Date) have been granted, among which 56,217,900 Share Options are outstanding. Share Options for subscription of 16,342,002 Shares have been cancelled or lapsed up to the Latest Practicable Date.

If the further refreshment of the Scheme Mandate Limit is approved at the AGM, based on the 1,080,033,380 Shares in issue as at the Latest Practicable Date and assuming no further Shares will be allotted and issued or repurchased after the Latest Practicable Date and up to the date of the AGM, the Company may grant further options carrying rights to subscribe for up to a total of 108,003,338 Shares under the Share Option Scheme (representing 10% of the issued share capital of the Company as at the date of the AGM).

As at the Latest Practicable Date, the cumulative total number of Shares which may be issued upon exercise of all outstanding Share Options were 84,801,327 Shares, representing approximately 7.85% of the Shares in issue as at the Latest Practicable Date. Assuming that the refreshment of the Scheme Mandate Limit will be approved the number of Shares that may be issued under the Share Options Scheme will be in aggregate of 192,804,665 Shares, representing approximately 17.85% of the Shares in issue at the Latest Practicable Date and is within the 30% limit in issue from time to time as required under the Share Option Scheme.

The Board considers that further refreshment of the Scheme Mandate Limit is in the interests of the Company and its Shareholders as a whole as it can allow the Company to be more flexible in providing incentives or rewards to eligible participants for their contribution to the Group and/ or enable the Group to recruit and retain high-calibre employees and attract human resources that are valuable to the Group. The granting of Share Options to the employees of the Group will not affect the Group's cash flow but will help the Company to retain and/or recruits employees and to provide them with a direct economic interest in attaining the long term business objectives of the Company. To enable the Company to grant further Share Options to the Group's employees, the Board proposes to seek the Shareholders' approval to further refresh the Scheme Mandate Limit at the AGM.

The further refreshment of the Scheme Mandate Limit is conditional upon:

- (a) the passing of the necessary resolution to approve the further refreshment of the Scheme Mandate Limit by the Shareholders at the AGM; and
- (b) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, such number of Shares representing 10% of the Shares in issue as at the date of the AGM, which may be issued pursuant to exercise of Share Options to be granted under the further refreshed Scheme Mandate Limit.

Application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Shares to be listed by the Company (representing 10% of the Shares in issue as at the date of the AGM) which may be issued pursuant to exercise of Share Options to be granted under the further refreshed Scheme Mandate Limit.

LETTER FROM THE BOARD

9. RESPONSIBILITY OF THE DIRECTORS

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief there are no other facts the omission of which would make any statement herein misleading.

Yours faithfully,
By order of the Board
Li Dongsheng
Chairman

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules to enable the Shareholders to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the new Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company was 1,080,033,380 fully paid-up Shares.

Subject to the passing of the resolution granting the new Repurchase Mandate and on the basis that no further Shares are allotted and issued or repurchased after the Latest Practicable Date and up to the date of the AGM, exercise in full of the Repurchase Mandate could result in up to 108,003,338 Shares (representing 10% of the issued share capital of the Company as at the Latest Practicable Date) being repurchased by the Company during the course of the period from the date of resolution granting the Repurchase Mandate until the earlier of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by law or the Articles to be held; and (iii) its revocation or variation by ordinary resolution of the Shareholders in general meeting.

2. REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to have a general authority from Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose from distributable profit or funds from a new issue in accordance with its memorandum and articles of association and the laws of the Cayman Islands.

That is to say, any repurchase of Shares may be purchased out of capital paid up on the repurchased Shares or the profits of the Company which would otherwise be available for dividend and, in the case of any premium payable on such repurchase, out of profits of the Company which would otherwise be available for dividend or from the Company's share premium account or its contributed surplus account.

On the basis of the combined net tangible assets of the Group as at 31 December 2009, and taking into account the current working capital position of the Group, the Directors consider that no material adverse effect on the working capital and gearing position of the Group may result in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed purchase period. The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

4. EFFECT ON THE TAKEOVER CODE

If, as the result of a Share repurchase, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeover Code. In certain circumstances, a Shareholder or a group of Shareholders acting in concert (depending on the level of increase of the Shareholders' interest) could as a result of increase of its or their interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

Assuming that no further Shares are allotted and issued or repurchased after the Latest Practicable Date and up to the date of the AGM, on exercise in full of the Repurchase Mandate, the number of issued Shares will decrease from 1,080,033,380 to 972,030,042.

As at the Latest Practicable Date, TCL Corporation, through T.C.L. Industries Holdings (H.K.) Limited, its wholly-owned subsidiary, held 500,521,544 Shares representing approximately 46.34% of the issued Share capital of the Company. Mr. Li Dongsheng and Mr. Bo Lianming held 27,126,120 Shares and 65,700 Shares respectively, representing 2.51% and 0.006% respectively of the issued Share capital of the Company as at the Latest Practicable Date. Mr. Li Dongsheng and Mr. Bo Lianming being directors of TCL Corporation are presumed to be acting in concert with TCL Corporation for the purpose of the Takeover Code and their collective shareholding with TCL Corporation amounts to 48.86%.

The decrease of issued Shares resulted from the full exercise of the Repurchase Mandate will cause the percentage shareholding of TCL Corporation to increase to approximately 51.49% (hence making the collective shareholdings of TCL Corporation, Mr. Li and Mr. Bo be increased to 54.29% of the issued Share capital of the Company). In the event of such increase, T.C.L. Industries Holdings (H.K.) Limited or together with parties acting in concert with it may be obliged to make a mandatory offer under Rule 26 of the Takeover Code as the aggregate percentage of its shareholding would increase by more than 2% of the voting rights of the Company. Save as above, the Directors are not aware of any consequences which may arise under the Takeover Code as a result of any repurchases made under the Repurchase Mandate. The Board currently has no intention to exercise the Repurchase Mandate to the extent which will trigger a mandatory offer under Rule 26 of the Takeover Code.

The Company has no intention to exercise the Repurchase Mandate to the effect that it will result in the public float to fall below 25% or such other minimum percentage prescribed by the Listing Rules from time to time.

5. SHARE PRICE
